

**AIRPORT to USGS**

- \* Take I-84 (east) to Broadway Avenue exit (approximately 1.3 miles).
- \* Turn left on Broadway Avenue and continue north (approximately 3.3 miles). After a loop to the east around St. Luke's Hospital, the street curves northwest and becomes Fort Street (approximately 0.4 mile).
- \* On Fort Street, get into the far right lane (Note: at the intersection with State Street this lane must YIELD).
- \* Continue northwest on Fort Street to Robbins Road (approximately 1 block).
- \* Turn right onto Robbins Road, continue to Collins Road.
- \* Turn right onto Collins Road. The USGS complex is on the left side of the road.
- \* Parking is available on both sides of Collins Road and in the parking lots of the USGS complex.
