

An ice-jam breakup caused flooding on the [St. Joe River at Calder](#)

Boise's [KTVB-TV](#) interviewed our hydrographers collecting data on Weiser River flooding and high water on the Payette River.

Our hydrographers installed an emergency stage gage on [Salmon Falls Creek near San Jacinto, NV](#) when the existing streamgage was flooded. The flooded gage is [back online](#).

Flooding

Ice jams, rain, and snowmelt caused flooding this month throughout Idaho, eastern Oregon, and northern Nevada.

Both lanes of Interstate 86 were closed in early February when the [Raft River](#) flooded. Cassia County is one of 15 Idaho counties to declare emergencies during this month's flooding.
